

Transparent Streaky

System 96

System 96 Streaky Glass is unique! Strong puddles and streaks of colors, unique to our hand formed process, provide fabulous color contrast and long fades across the sheet surface. And, the top surface is now smoother than ever, resulting in a glossier and easy to cut sheet

White and Clear

Please note:

The images above are fused tiles, the area left of the diagonal stripe is fused over clear (lighter color), while the area to the right is fused over white opal (darker color).

Denotes glass is available with an iridescent coating

We've taken great care to present Spectrum glass as true-to-life as possible. Since computer monitors and printers vary widely, and may not reliably portray the glass or its color, please use this sheet as a reference tool only.
